

Quick Leveller QL-I User Manual

IFOOTAGE

Thank you for purchasing this iFootage product. To get the most from your Quick Leveller, please read the manual carefully prior to operating the equipment and keep the manual safe for future reference.

Features

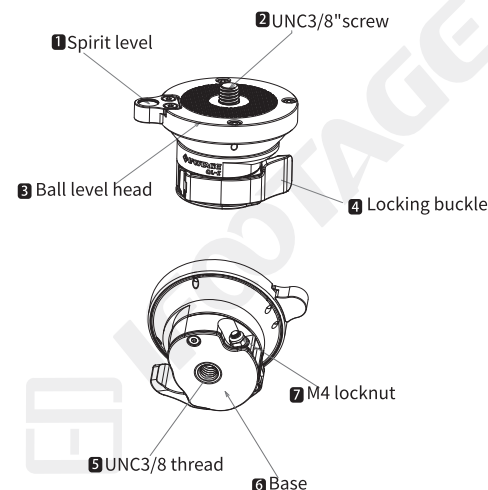

1. 360 degree rotating half ball head with an adjustable tilt of ± 15 degrees provides quick level adjustment.
2. Fast and easy locking, compact, portable, reliable and simple to use.
3. The upper 3/8" screw attaches to and supports a variety of heads and the lower 3/8" thread is compatible with the majority of tripods.
4. Superior design and construction using aluminium magnesium alloy materials. Lightweight, robust, durable precision CNC machined structure complimented by a high quality, anodized, black exterior finish.
